

Online Dhokedhari Se Savdhaan

Parents be aware:

- Place the Computer in a visible place in the house.
- Set limits on late-night internet use by your child.
- Use Parental Control Software.
- Keep track of your child's online profiles and e-mail.
- Be aware of your child's online contacts.
- Explain your child about online threats and cyber bullying.

Teach your children to:

- Log out of computers each time they finish their work.
- Not share passwords with anyone and change them regularly.
- Avoid responding to suspicious or anonymous emails/links.
- Not respond to unknown friend requests and video chat.
- Not disclose their personal detail/upload pictures to unknown persons.
- Report to the school, parents or website about any cyber abuse or exploitation without delay.
